"Evening Of Enchantment"

At The Marion Art Center

By Dionne F. Richmond

Don't expect this musical revue to include fancy tap dancing, glitz or glamour. Do expect a *truly* musical show filled with warm voices and wonderful sounds inspired by the music and lyrics of Rodgers and Hammerstein.

"Some Enchanted Evening,"designed and directed by Paul Sardinha, features the music and lyrics of Rodgers and Hammerstein, who collaborated on such classics as "South Pacific," "The King and I," "Carousel," "Oklahoma," "Sound of Music," "Flower Drum Song," and wrote many of the songs called "standards" like "All the things you are" "My Funny Valentine," and other ballads as well as upbeat numbers such as "There is Nothing Like A Dame."

Mr. Sardinha said the cabaret is filled with well-known, easy listening music and was less expensive to produce than a play. "The voices in this group create some warm and wonderful sounds," he said. During a recent rehearsal Sheila Furtado of Sandwich sang an uplifting song that's sure to be an inspiration to the crowd --"Climb Every Mountain," from the "Sound Of Music." Everybody will know at least one song the group sings.

"It's wonderful music, you can't not enjoy it," added Sheila, who is a familiar face (and voice) at the Marion Art Center.

Anne Schenck, of Marion, who has also previously performed at the Marion Art Center, agreed. "Everybody will recognize something, if not everything," she said.

Although many of the songs are familiar, Mr. Sardinha has added his own special touch to make each song unique. Learning the actual words and some of Mr. Sardinha's original harmonies are two things the cast has been practicing. They say there is a big difference between singing these songs in the shower and singing them on stage. Newcomer Peter F. Kortright of Mattapoisett will make his first appearance at the Marion Art Center.

"It's different, it's not dancing, it's a singing show, not to tapping..the music lends itself to wonderful sounds," said Sheila.

People love the classic songs, the standards they cry to or sing in the shower to, and these well-crafted, sturdily built songs hold up over the years. It took Hammerstein several weeks of constant tinkering to get some of his simplest lyrics right ("If I loved you..."for example), while Rogers was perfectly capable of dashing off the matching tune while dinner guests finished their coffee!

Their collaborations will be showcased in the Art Center cabaret production. Cast members are: Dana DeBarrows of New Bedford and formerly of Marion, Sheila Furtado, Deirdre Hickok, Peter F. Kortright, Marcia Pereira, Brett Outchcunis of Onset, Anne Schenck, Scott Simpkin of Fairhaven and Paul Sardinha of New Bedford. Michelle Gordon of Fairhaven is the pianist and Rachel Beard of Mattapoisett will operate the lights for the show.

"Some Enchanted Evening" opens on Friday, July 5th and will run on July 6, 7, 12, 13 and 14th. Curtain is at 8:00 pm on Fridays and Saturdays and at 7:00 pm on Sundays. Seating is cabaret style plus

Fourth Of July Events In Tri-Town Area

Lazy, hazy summer days are here again. Blue skies have opened up over harbors lined with boats, as waves and the summer breeze gently rock them. Barbecues and cookouts create a tantalizing aroma, as families gather together during weekends and vacations.

Other signs of summer in the tri-town area include parades, fireworks, square dancing on the Mattapoisett Wharf, the Mattapoisett Road Race and the opening of the Museum and Carriage House in Mattapoisett on July 2nd.

The Marion Fourth of July Horse Show carries on its tradition, now in its 49th year. The show will be held on Thursday, July 4 at the Washburn Memorial Park on Route 105, (just off Route 195) in Marion. Show time is at 9:00 am and will continue until the late afternoon.

The Fourth of July Parade will form at 8:00 am in the field behind the Town Hall on Main Street.

Final preparations are underway for this year's 26th Annual Fourth of July Road Race in

Mattapoisett. Enthusiasm for this year's race is running even higher than usual. About 35 applicants are received on a daily basis. It is likely that this year's entrants will surpass last year's total of 683. Registration have been processed from all over New England, New York, New Jersey, Pennsylvania, the District of Columbia and California. The five mile race will start and finish at Shipyard Park located on the waterfront of historic Mattapoisett Village. Starting time is at 10:00 am. Registration fee is $12 prior to the day of the race and $15 on the day of the race. Race officials will be at Shipyard Park on Wednesday evening on July 3rd from 5:00 pm until

Mattapoisett Selectmen's Meeting

June 25, 1996

By Dionne F. Richmond

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, June 25 at 7:00 pm by Chairman John DeCosta. Also present were Selectman Paul Lambalot, Selectman Michele Bernier, and Executive Secretary Carol Adams.

At 7:05 Selectmen met with Harbormaster/Wharf Commissioner Steve Mach, Board of Health Agent Dale Barrows and Marine Biologist for the Division of Marine Fisheries, Greg Sawyer to discuss a strong odor from the Mattapoisett Town Wharf. Mr. Barrows said he will take samples to test for total coliform bacteria and fecal in the water at the same time he tests samples for the town beach on Wednesday, June 26th. He said he would be surprised if neither showed up on the tests, since they have in the past. Mr.

Sawyer explained that even if an elevated fecal coliform count was discovered, there is no accurate test to say it came from humans or animals. He said high tides, wind and seaweed sitting in the hot sun create an odor similar to a sewer.

Marshy areas and stagnant water also create a similar odor, said Mr. Sawyer. Mr. Mach said seaweed gets trapped behind the sea wall after high tide. "The seaweed stays behind there," he said. Selectman Bernier, one of the people who came forward about the odor, said she smelled the odor on a cold, rainy day. She said she wasn't an "alarmist" but said none of the factors were there to cause the odor. Mr. Mach said he didn't smell the odor over the weekend and said it was a possibility the wind carried the odor from somewhere else.

Ms. Adams spoke with Water Superintendent William Nicholson who assured that there is no way sewerage is going into the harbor. He said there are no old cess pools, or old sewer systems there that could affect the area. Mr. Sawyer explained that environmental police have been on patrol in the mornings in the area and have issued several citations for various violations.

Selectmen received the following correspondence for the week:

•Plymouth County Commissioners' Office submitted correspondence requesting notification of Mattapoisett's representative to the Advisory Board. Chairman DeCosta was unanimously voted to continue serving on the Board, as he has for the past 19 years.

•The Office of the Public Prosecutor will hold the annual Public Prosecutor's Meeting on Wednesday, September 11th at

•Correspondence was received from Tibbetts Engineering Corp. summarizing the May 9th meeting with MassHighway relative to North Street reconstruction project. The three basic alternatives discussed were: a sidewalk on the west side of the roadway resulting in the following typical section-two 10.66 foot travel lanes, two 2.46 feet usable shoulder; one 1.64 unpaved vertical clearance for a roadway pavement width of 27.88 feet in addition to a 4 foot sidewalk for a total pavement of 31.88 feet.

The second alternative was a sidewalk on the east side resulting in a mirror image of the above. The third alternative was two 10.66 travel lanes, two 2.46 usable shoulder, and two 1.64 unpaved vertical clearance for a total pavement width of 26.24 feet. At this point, Tibbetts is reviewing the impacts of each alternative on trees, stone walls, etc. and will present a summary report on those impacts. No other work on this project will be done, including the completion of the Design Safety Report until an alternative has been selected. Selectman Bernier requested a letter detailing what was done after she signed a bill from Tibbetts. "I signed the voucher, but I want an explanation as to what work was done," she said.

•Fire Chief Ronald Scott commended Detective Mary Lyons for her participation in the Fire Department's Juvenile Intervention program. "Officer Lyon's dedication and desire to help the youth of this town should not go unnoticed. Mary is a great asset to the Police Department and also to the town of Mattapoisett," wrote Chief Scott in a letter to Selectmen.

•Correspondence was received from Peter Smith, Deputy Commissioner of the Department of Environmental Management. In his letter, Mr. Smith states he wished to clarify any misunderstandings that may have came about as a result of a letter from one of his staff dated June 5th. DEM has made no commitment of funding and will take no position on the Nunes property unless asked to do so by the Board of Selectmen.

•Permission is granted by the Division of Marine Fisheries for propagation of quahogs, bay scallops and soft shelled clams.

At 7:35 Mr. Bob Coquillette met with Selectmen to talk about aquifer protection regulations in the zoning by-laws. He told Selectmen the by-law states that Selectmen are the enforcement agent for this law. He said it was up to them to let the people in the district know what the by-laws are. "I don't think most people know what the regulations say," he said. Selectmen agreed to discuss the matter further to see who act as an enforcement agent.

Ms. Adams noted meetings to be held during the week. The bathing beaches open on June 29th for the season, Square dances begin on the same day. The 80th Anniversary of the Community Nurse Association and Hospice will be held on June

Monday, July 1 is the deadline for applications to the Finance Committee. Under the executive secretary's report, Selectmen appointed the nine applicants interested in serving on the Bicycle Path Study Committee. Selectmen also discussed re-appointing a Recreation Committee. Two residents came forward a few weeks back expressing interest to form a committee. They also complained about soft ball and other team sports getting a late start this summer. Ms. Adams said it was brought to her attention that the MYAA sponsor the activities for sports. A meeting will be scheduled with representatives from the MYAA , John Shockro and the Recreation Committee to discuss the matter.

Ms. Adams also noted an couple in Mattapoisett have donated a good size tree to replace the fallen tree near Romeo's that fell down during a storm. The couple wishes to remain anonymous.

There being no further business for the Board to discuss, they voted to adjourn at 8:10 pm.

Marion Selectmen's Meeting

June 25, 1996

By Kenneth J. Souza

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, June 25 at 7:00 pm by Chairman Jonathan "Jody" Dickerson. Also present were Selectman Albert E. Winters, Selectman Loretta B. Schaefer, Executive Secretary Ray Pickles, and Secretary Helene Craver.

After approving the minutes of the June 18 meeting and signing the treasury warrant for the week, Chairman Dickerson requested a moment of silence for David Johns, a former Selectman and former member of the Planning Board, who passed away recently.

The board received a memo from Department of Public Works (DPW) Superintendent Rob Zora, advising that he does not recommend establishing a separate fee structure for irrigation purposes. According to Mr. Pickles, the town has recently had three requests to connect a separate water line for irrigation ... thereby allowing for a separate rate. Mr. Zora is not in favor of setting special rates for this purpose. The board agreed to take this matter under advisement and said they would discuss it at their next

meeting.

Selectman Winters noted that their lease with the Buzzards Bay Project (BBP), which utilizes office space in the Town House, is set to expire in mid-1997. As such, Selectman Winters said he wanted to know how the board felt about renewing the lease with the shortage of space for town departments. "My feeling is that we should be looking to using that space for town boards and committees," he said. He also felt that if the board decided not to renew the lease, they should give the BBP as much notice as possible.

Selectman Schaefer agreed. "I think with a recent review of Town House space, we really need to retain that office," she said.

The board unanimously voted to let the lease expire in 1997 and said they did not wish to renew it after that time. They also agreed to notify the BBP as soon as possible, so that they might be able to plan for alternate office space.

Selectman Winters also informed his fellow board members that Joseph Costa of the BBP had wished to make it clear to them that his organization is taking no role in the Holmes Brook Stormwater Remediation Project. Said project is being planned under the auspices of the Buzzards Bay Action Committee (BBAC).

However, Conservation Commission (ConCom) Chairman Frank Germano said he recently secured the assistance of Mr. Costa in delineating the wetlands on the Holmes Brook project. "We need additional help ... it's becoming a very time-consuming project," Mr. Germano said.

Selectman Schaefer suggested the town might seek paid

professional help in this matter, since there seems to be some reluctance on the part of the BBP to get involved with the Holmes Brook project.

Under incoming correspondence for the week, the board received:

• Request from Ted Babbitt, Chairman of the New England Optimist Championship, to hold their regatta on July 28, 29 and 30 at the Beverly Yacht Club. The regatta should host about 200 nine- through fifteen-year-olds who will be racing in eight-foot dinghies. The committee would also like to secure the use of Island Wharf to store the boats overnight, and the use of the bandstand for the registration process and for a concert for participants. The board unanimously approved the request.

• Memo from Ray E. Pickles, advising that effective

Sunday, July 7, the Marion transfer station will no longer accept bulky waste and demolition debris on Sundays. Demolition debris and bulky waste may still be dumped on Monday through Saturday from 8:00 am to 4:00 pm, but Sunday will be reserved to empty demolition trailers.

• Letter from Stephanie Cushing and Justine Davis, requesting that the board consider placing more garbage cans around town in order to curb litter and to encourage people to recycle. Selectman Schaefer noted that the trash cans in the center of town were donated by the Marion Garden Club, and maybe another organization might be willing to do the same. Chairman Dickerson also suggested that the Boy Scouts might want to build some trash cans as a project.

At 7:15 pm the board met with members of the Growth Management Oversight Committee and members of the Planning Board regarding the roles of each in developing a Master Plan for the Town of Marion. Planning Board member David Pierce began by expressing his dismay and concern over the Selectmen's establishment of the Growth Management Oversight Committee without the input of the Planning Board.

"It would seem to me that the appropriate way to proceed would be with discussion," he said. "Many members of our board felt they weren't consulted in the process."

Planning Board member Jay Crowley agreed. "I'm very sorry that I didn't speak up at the initial meeting ... but I think 'oversight' is the wrong word to use," she said. "We feel it is inappropriate for the Board of Selectmen to appoint a committee to oversee another elected board."

Selectman Winters said it wasn't their intent to establish the Growth Management Oversight Committee to govern the Planning Board — the idea was simply to have the two groups work together to set an agenda for the town's future. "There was never any intent to create an adversarial situation between the (groups),"

A CHAIN REACTION

Do you remember everything that went on when you bought your present home? As the hypnotist says, "clear your mind and think back." In case you forgot, you probably had to sell your old home before you had the funds to buy the present one. The seller was probably in the same boat. Everything had to be in place at the right time and probably some time adjustments had to be made.

What most home buyers and sellers may want to forget is the frustration that went on. Buying or selling a home (usually both) is often a chain reaction. We'll help choreograph the timing, financing and other details it takes to get all the pieces to fall in place. In other words, we'll act as the middleman.

Unless you're extremely lucky, as a seller you're going to be dealing with a buyer who has to sell his present home before he can buy yours. That's no trouble for us. That's what we do best.

Call Bruce today with any of your Real Estate questions or needs. We're here to help!! 758-6738.

he said. "We were hoping each could work with the other."

"It sounds like we have a semantics problem here more than anything else," Selectman Schaefer said. "I think the Growth Management Committee can be used as a tool of the Planning Board to reach its goals ... and I certainly think (both) need to keep the lines of communication open."

Bob Bennett, who helped draft the Growth Management Committee proposal, said the report was simply a recommendation to both the Board of Selectmen and the Planning Board to take further action. "If one or the other (of the boards) feels our recommendations are a bad idea, they can reject them," he said.

The Board of Selectmen suggested the two boards — the Planning Board and the Growth Management Committee — meet again and decide first on an appropriate name for the latter, and then proceed with setting an agenda that is mutually amicable.

ConCon Chairman Frank Germano next asked the board if they could provide the members of his commission with photo identification cards, as he discovered that someone recently entered a resident's property by claiming they were a member of the ConCom. Chairman Dickerson advised that the Police Department has a photo identification machine which they can use to prepare photo identification cards for all members of the Conservation Commission. The board also agreed it was a good idea.

Likewise, Board of Health member Albin Johnson said the same would be useful for members of his board when they are called for onsite inspections. Mr. Germano also cautioned residents that they should request identification if anyone attempts to gain access to their property.

Lastly, resident Tyler Blethen noted he had done some research on the NYNEX telephone system and the possible calling plans to which Marion residents could subscribe. The issue was initially raised last year that Marion cannot call such nearby locations as New Bedford or Fairhaven without paying long distance charges. Rochester, on the other hand, is contiguous with several

local exchanges and can call as far as Freetown and Fall River without additional charge.

Mr. Blethen noted there is an "Eastern Massachusetts Plan" whereby residents can pay $45.90 a month and be able to call New Bedford, Dartmouth, Fairhaven, Fall River, and the like without incurring long distance charges. He was seeking support and a letter from the Board of Selectmen which could be sent to NYNEX. The board said they would review the material Mr. Blethen provided and would pursue this option.

At 8:05 pm the board voted to go into Executive Session to discuss proposals concerning two union contracts and would thereby adjourn for the evening upon completion. Their next scheduled meeting will be Tuesday, July 9 at 7:00 pm.

Rochester Selectmen's Meeting

June 24, 1996

By Jennifer J. Ouellette

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, June 24 at 7:00 pm by Chairman Lorraine Roy Hawkes. Also present were Selectman David L. Hughes, Selectman Richard D. Cutler, and Secretary Veronica Lafreniere.

The minutes of the Monday, June 17 meeting were approved by the board after one correction was made. The minutes of the Wednesday, June 19 meeting were also unanimously approved.

The first appointment of the night was at 7:05 pm with Henry Thompson. Mr. Thompson is the owner of a black Labrador who has allegedly been a "nuisance" in various ways to the residents of Dexter Lane. Bob Thompson, Henry's brother, spoke on his behalf. Bob Thompson said he has two witnesses that the dog was not out of the house. He

also stated that he talked to a veterinarian who said the dog was not vicious as Mr. Thompson's neighbors believe.

"This town has been closing its eyes too long," said Bob Thompson. He continued to say that he never had a problem before his neighbors moved in.

At this time Chairman Hawkes referred to two letters which the town received complaining about Mr. Thompson's dog. The first letter was from Kathleen Martin, a neighbor of Henry Thompson. In her letter she stated that she was "concerned for the safety of all children (in the Dexter Lane neighborhood)."

The second letter was from Rebecca Watson, another neighbor. She wrote and described an incident in which the dog attacked her two daughters. Her daughter, Jodi, escaped with a few scrapes while her other daughter, Vicki, was bitten by the dog, leaving two puncture wounds. Vicki was taken to the hospital and received several stitches. In closing her letter, Ms. Watson stated that "if they can't control (the dog), they shouldn't be allowed to have it."

Selectman Hughes said that "the dog must be restrained at all times." Chairman Hawkes motioned that the board send a certified letter to Henry Thompson which says that if the town hears that the dog has become a nuisance again, they will take control of the animal.

At 7:15 pm the board met with Patrick Glidden regarding the Lions Club Carnival. Every

year on the lot adjacent to Plumb Corner Mall, the Lions Club holds a carnival. This year the carnival will run from August 7 through August 10. Cheryl Joyce was present to seek the board's approval and request a permit for the carnival. She had submitted all the necessary paperwork, except for the Highway Department. But she did have a letter from Police Chief Walter Denham stating that the event will have police protection. This will be forwarded to the Highway Department.

thanking the Selectmen for the opportunity to come before them, and then handed out a breakdown of Silvershell Beach's expenses. The expenses include: a beach director, a head lifeguard, five other lifeguards, gate attendants, toiletries, paint for the building, stands and benches, repairs, and supplies. The total expenses came to $33,500.

Mr. Dickerson informed the board that the Town of Rochester is paying only 8 percent of the total cost and will be eligible for free swimming lessons this year (as will Marion residents). Selectman Hughes motioned at this time that anyone from the Town of Marion could apply for the remaining lifeguard positions for the beach because no one has applied for the position within the last month. The motion was unanimously approved by the board.

At 7:30 pm the High Street Realty Trust Earth Removal Permit hearing was held. Jeffrey D. Youngquist was present to request an additional 120,000 cubic yard extension to his original permit of 30,000 to 40,000 cubic yards of earth removal for cranberry bogs. The only problem with this request was the company has exceeded the original permit limit and is asking for an additional 120,000 cubic yards on top of that. The board was also concerned

that an engineer had not reviewed the plans and advised them on what is a fair amount to be removed.

Selectman Hughes moved to grant Mr. Youngquist permission to keep bringing in dirt. The motion was approved via majority vote; however, a second motion was made and approved to continue the hearing for two weeks until professional advice could be obtained.

At 8:00 pm the board met with Jay George, representing Lloyd's Market Inc. regarding a liquor license. Mr. George came in to seek a transfer of Lloyd Market's liquor license from Lloyd Vaughn to his own name. The board only asked if the market was going to be changed at all — which it is not — and they then unanimously approved the license transfer.

The board also received:

• A memo from Town Accountant Claudette Coutu regarding the occurring termite problem in Town Hall. It was suggested that the town pay $1,750 for the extermination of the termites. According to a letter received from New Bedford Pest Control, Inc., "A one-year service warranty would be included in the cost of $150 per year." The board unanimously agreed to make arrangements by July 1.

• Letters of appreciation from the Ferreira and Chadwick families, thanking the town for dedicating the Annual Town Report to Arnold Chadwick and Joseph Ferreira. Mr. Chadwick was recognized in the report for his 38 years of "dedicated service." Mr. Ferreira was acknowledged

for his 26 years of service to "the town he loved."

• A letter from the Rochester Center Cemetery Corporation "requesting that the Board of Selectmen authorize the Town Treasurer to submit the amount of $1,640 for the care of 164 veterans' graves." Selectman Hughes began the discussion with a question regarding the availability of money. Town Accountant Claudette Coutu checked the books and revealed that $1,500 was available for this purpose. A motion to transfer $140 into the account was unanimously approved.

• Correspondence from the law offices of Beauregard and Burke asking to be designated as

"Special Municipal Employees." Selectman Hughes informed the board that the Town Officers have already been designated with this title. Chairman Hawkes motioned to have Veronica Lafreniere check with the Town Clerk regarding this designation. The motion was unanimously approved.

• Memo from Claudette Coutu regarding the payment of Police Officer Burt Gleason for three hours he spent at a deposition hearing. The Selectmen unanimously voted to pay him for the duty.

The board then signed and approved a transfer of $1,634 into Unemployment Compensation; payment of $712.45 to Kopelman and Paige; and the warrant for the July 17 Special Recall Election.

Under Old Business, the board agreed to dedicate Varella Corner on Saturday, June 29. Under New Business, the board received a letter from Raymond Lawrence, who stated that he felt the reappointment of Police Chief Walter Denham is based on popularity rather than performance. In his letter, he said the board should "see to it that the town doesn't come out second best."

At 9:07 pm the board voted to adjourn from their Selectmen's meeting and reconvene as the Personnel Board. During this time, they signed all Personnel Action Forms for the year. The Police Chief's salary was changed to $42,282 for the year before the board approved it.

The board also discussed the Executive Secretary's position. A draft of the job's description

and related duties was reviewed. Chairman Hawkes said she had a problem with appointing a brand new employee for three years, and wanted the definition of "credited program." In response, Selectman Cutler said the position should definitely be salary with no compensation time. Chairman Hawkes moved to request draft job descriptions from neighboring towns to review before making any final decisions in this matter. The motion was unanimously approved.

The board then unanimously voted to continue the Personnel Board meeting after next week's Selectmen's meeting (Monday, July 1). There being no further matters to discuss, they adjourned for the evening at 9:54 pm.

Animal Advice

Jay Gould, DVM

TRAINING YOUR PUPPY

My puppy is 3 months old and still poops in the house. What can I do?

Use a crate. Puppies come to think of a crate as their own room, not a prison. The puppy goes into the crate last thing at night after being walked and is taken outside the first thing in the morning. After each meal the pup goes outside with adult supervision and receives praise after eliminating. The pup should stay in the crate during the day when he is not being played with. He should go outside every 30-60 minutes when he is free in the house. Most dogs are housebroken by 6 months.

When can I start teaching him tricks?

Start immediately! Have a short training session of 2-5 minutes as often as you can. Start with "sit, stay, come" and then add other tricks as you desire.

Dr. Gould can be reached at the Mattapoisett Animal Hospital (508) 758-6400

Mattapoisett Road Race

• Final preparations are underway for this year's **26th Annual Fourth of July Road Race.** Enthusiasm for this year's race is running even higher than normal throughout New England and New York state. The five-mile race will start and finish at Shipyard Park, located on the waterfront of historic Mattapoisett Village. Starting time for the race is 10:00 am. The registration fee for runners is $12 prior to the day of the race, and $15 on the day of the race.

Interested runners or sponsors who would like to help support the race can call 758-6061. Proceeds from the race are awarded as scholarships to college-bound local high school runners.

Trophies will be awarded to the first place overall winners in the male and female divisions and the first three finishers in each of the six divisions, including: **Junior Open** (13 and under), **High School** (14 to 18), **Open** (19 to 39), **Master** (40 to 49), **Senior** (50 to 59), and **Super Senior** (60 and over). A Runners Raffle for merchandise awards will also be held, but runners must be present to participate.

• Anticipation for this year's **Mattapoisett Fourth of July Road Race** is running high. Race planners expect the number of entrants to surpass last year's 683 total. Contestants have already registered from all six New England states, from New York, New Jersey, Pennsylvania, Washington D.C., and California.

competing in the U-12 divisions, only thirteen compete in the eight spots which advance to the cups.

In their first match, Nor'Easter defeated the Galway Rovers from Holbrook, 3 to 0. Later, Nor'Easter faced last year's State Champions, Soccer Scene FC of Upton, and battled to a 3 to 2 victory to gain a spot in this year's Cups Competition.

Eight premier teams from throughout Massachusetts will vie for the State Championship which enables the winning team to travel to the Region 1 playoffs. What comes next is the National Youth Championships.

The Nor'Easter Soccer Club is based in southeastern Massachusetts and is dedicated to offering players the opportunity to be trained and coached by nationally and state licensed individuals. Nor'Easter players are part of the Massachusetts Premier League, the highest level of competition in the Commonwealth.

For more information about how you can join the team, contact Club Manager **Craig Mechler** at 758-3412.

ORR Gridiron Club

• The **ORR Gridiron Club** is preparing the Bulldog Football Team for another exciting season in the tough South Coast Conference. This year, more than 100 students will participate as cheerleaders, or freshman, junior varsity, or varsity players. As such, the ORR Gridiron Club has set out to raise $15,000 to purchase the materials and hardware to illuminate the football field, allowing the team to compete at night.

According to the club's **Leonard Gregoire,** Bourne High School recently completed their first year of night games which helped to double their fan base as well as moral support. In addition, the boys' and girls' soccer and field hockey teams could also benefit from field lighting.

Heidi Parker Catelli's School of Dance recently raised $800.00 in a scholarship fund in memory of her former student, Michelle Lizotte. Her students conducted a bake sale at her annual recital, and sold planters donated by Petal Pushers of Fairhaven. Heidi's students Ellyn Gallant and Stephanie Taber are the recipients of $400.00 each to put towards their future college expenses.

Ellyn is the daughter of Pam and Wayne Gallant, and has danced for eleven years. She will be attending the University of New Hampshire. Ellyn's favorite part of attending dance school was meeting new people, learning proper manners, and learning the latest dances.

Stephanie is the daughter of Natalie and Carl Taber, and has danced for twelve years. She will be attending Hesser College in New Hampshire. Stephanie's favorite part of dancing was performing in the annual recitals.

Heidi Parker Catelli's School of Dance is located in Mattapoisett, Fairhaven, and Dartmouth.

Letters to the Editor

To the Editor:

Recently, ORR received a check for $250 and the following letter from Mr. John McCarthy of White Plains, New York. "I am enclosing this check for the ORR new track. I was fortunate to win some money at the Louchs raffle and thought about how good you are and the kids from ORR are. Needless to say Cathy, Kevin, Michael and I will always enjoy housing your runners and I felt this was a little way of showing our appreciation for you and the way the coaches of ORR have molded these excellent athletes into fine human beings. Good Luck with the new track." Signed, John McCarthy.

I thought your readers of *The Wanderer* would appreciate knowing the impression our young people have made when they visit White Plains to attend the Louchs Invitational Track Meet.

Yours Truly,
James R. Egan

THE TRUTH ABOUT YOUR WINDOWS

1. Windows allow harmful ultraviolet rays to pass thru and cause damage to furnishings, carpets, paintings, wallpaper, draperies, and even your body.
2. Windows allow the heat from the sun to pass thru causing excess energy to be wasted cooling your home.
3. Windows are made to allow visibility outside, but think, how can you enjoy the view if your windows are covered with draperies, verticals or other types of non transparent treatments.

ADDING SOLAR CONTROL FILM

1. Film added to glass reduces 96-99% of U.V. A&B rays
2. Film added to glass reduces up to 70% of solar heat.

Marion Fourth Of July Horse Show

One Independence Day tradition in Southeastern Massachusetts is the Marion Fourth of July Horse Show. Now in its 49th year, the show will be held Thursday, July 4th at Washburn Memorial Park on Route 105, (just off 195) in Marion, Mass. Show time is 9:00 am and will continue until late afternoon.

Last year, the show attracted more than 90 riders. This year, there will be 57 equestrian events in two arenas. A variety of classes for the seasoned show rider as well as beginner will be offered. English, western and saddle seat classes promise something for every riding discipline. In addition, a special lunch time demonstration has been scheduled with renowned trainer Paula Paglia from Littleton, Mass, who will bring her four-member drill team to perform their choreographed routines.

But the day is not all about horses. Also at Washburn Park will be a midway featuring games of chance and skill, gift booths, and refreshments. All midway booths are staffed by members of area youth groups such as Girl Scouts, Boy Scouts, and classes from Old Rochester Regional High School who work hard to decorate the park and add to everyone's enjoyment.

What is unique about the Marion Fourth of July Horse Show is that all profits are divided among the local youth groups that work that day. The proceeds help groups buy supplies, take field trips, or add to their treasures for something special. Some of the profits also go to the upkeep of Washburn Memorial Park. Everyone is invited. This is an event the whole family can enjoy.

Marion 4th Of July Parade

The Marion Fourth of July Parade committee of the Benjamin D. Cushing Post 2425 V.F.W. announces the parade will be held on Thursday, July 4th. Why should I participate?

There are many reasons why you might want to participate, but the number one reason would be to benefit this great organization-- Hearts & Hands Inc.

This is an organization based on the community helping medically fragile children and their families. These children need your help and donations can provide support services to these children and their families that are trying to cope with many challenging diseases. So please get your bike ready to go on this scenic bike route and then enjoy a great post biking party at Ned's Point in Mattapoisett.

TEAMING UP FOR THE CHALLENGE!

Round up your friends, family, and co-workers and join the heart team. Use themes, costumes, signage and anything else to show your spirit. Each team will receive a group photo and commemorative certificate after the tour.

Prizes will be awarded for the individual and team who bring in the most donations the day of the ride.

Local Student Named To Dean's List

Michelle A. Campbell of Mattapoisett was named to the dean's list at Bates College as a result of her scholastic standing during the second semester of the 1995-1996 academic year. To qualify for the dean's list at Bates, a student must maintain better than a "B"average for the semester, for a minimum quality point ratio of 3.2.

Campbell, a first year student, is the daughter of Malcolm and Louise Campbell of North Street. A member of the field hockey team, Campbell

Sippican Woman's Club

The Sippican Woman's Club is pleased to announce the 1996 recipients of our annual scholarship awards. The following Marion graduates were selected based on exceptional academic standings and citizenship: Megan E. Edwards, Tufts University, Katherine A. Southworth, Simmons College, Tina M. Pittsley, Katherine Gibbs, Eric T. Cottrill, University of Massachusetts, Lowell and Amelia M. Thrall, Dartmouth College. Our very best wishes to all recipients in their future educational pursuits.

These scholarships are made possible through the club's primary fund raiser, Christmas Around Handy's Tavern and House Tour. This year's event will take place on Saturday, December 14, 1996. The Sippican Woman's Club invites all women who are Marion residents to attend and become members. Regular meetings are held in the Club House at 12:30 pm on the second Friday of the month between September through March. Guests are always welcome.

Road Race has directed its proceeds to supportive, cash awards for area runners who expect to attend college and continue their participation in track and running activities. We do so because we value the lifelong values that may accrue from the continuation of such participation and we hope that we may, in some worthwhile fashion, inspire all of our graduates to pursue their academic goals with the same enthusiasm that they put into that final kick toward the finish line of the Mattapoisett Road Race.

This year, the Mattapoisett Road Race is 26 years old! That makes it one of the oldest as well as the finest road races in the entire state. The typical field of runners exceeds 600 in number.

As a direct result of the growing success of the Mattapoisett Road Race and the fabulous support of our sponsors, the Race Committee is pleased to announce the selection of Five 1996

will begin on Monday, July 1 1996. Children and young adults ages two and up are invited to register for the seven-week program between 3:00 pm and 8:00 pm. Readers will receive a packet of materials which will include a reading log, program description, special events calendar and many projects to keep them busy during the summer. Remember, children who can not read can be read to, and older readers get special credit for reading longer books. Those who are unable to register for the program on July 1 can register anytime after that.

This year's theme is "Catch The Summer Spark" and there will be lots of interactive programs

Adoptable Animals

Animal Umbrella's plea this week is for adult adoptions. We have several mother cats who desperately need love and care. They have all recently weaned kittens, been spayed and vaccinated and are just sitting and waiting for the right person to take them into their homes. They include: a gray and white part angora, two short hair tigers with green eyes, a real sweet short hair torti, a long hair calico and a short hair white and orange cat.

Kittens, Kittens, Kittens! Yes, we have lots of adorable very adoptable ranging in age from 6-12 weeks. All are vet checked and vaccinated. Thanks to those who responded to our plea for volunteers and foster homes, and the need is still there if you can join us in some way.

At the Fairhaven Shelter, there are still three 8-week-old puppies and a 6 month old boxer puppy,

Movie Review

Zen for frat boys ... with toys

By Rob Gonsalves

• *Eraser.* **Starring Arnold Schwarzenegger, Vanessa Williams, and James Caan. Directed by Charles Russell. Running time: 115 minutes. MPAA rating: R. At Cinema 140 in New Bedford.**

Here's how you know *Eraser* is a total guy movie: when you leave the theater, all you want to talk about is the guns. These guns — the movie's McGuffin, the thing the bad guys will kill for — are serious guns indeed. They come equipped with some x-ray device that scans through thick walls to zero in on their prey; the force of the laser blast will knock you right through the aforementioned thick walls. Guys could watch this all day. Arnold Schwarzenegger doesn't even have to show up.

He just barely shows up anyway. Not that Arnie doesn't sweat and bleed as much as usual. It's just that he usually has some fun with his granite persona (think of his witty work in *True Lies),* and he doesn't this time. In *Eraser,* Arnie plays yet another super-agent — he wipes out the identities of federal witnesses — but it's as if his own identity had been deleted, too. He's just an efficient war machine here, a Homeric version of Tom Cruise's character in *Mission: Impossible.*

Eraser is pure no-frills action, which may not sound bad — *Speed* did pretty well with just a bus. But *Speed* (and other great modern action movies) achieved a kind of beautiful idiocy — Zen for frat boys. *Eraser* is more often just idiotic, with none of the true wildness that can goose a movie like *Die Hard* past popcorn thrills and into something close to art.

The script, credited to Tony Puryear and Walon Green, could have been spat out of a Macintosh on one of those screenwriting software packages that combine different plot points from past hits. Arnie the Eraser has to protect Vanessa Williams, an FBI employee who discovers illegal government deals involving those cool super-guns. It's the sort of plot you've seen so many times before that you forget exactly where you've seen it before, though you know it probably worked better then.

The director, Charles Russell, has an interesting track record that *Eraser* doesn't fit into. He did the third *Nightmare on Elm Street* installment, one of the more imaginative sequels; the gross-out-fun remake of *The Blob;* and the whirligig Jim Carrey vehicle *The Mask.* Russell is a fantasist, not a man of action, and the set pieces in *Eraser* are blurry and half-hearted. He's in his element, though, in the scenes involving the guns — he has those freaky x-ray graphics to conjure with.

Eraser does have a wild card, which isn't played nearly enough. Robert Pastorelli, best known as Eldin the painter on *Murphy Brown,* turns up as a former Mafia goombah whom Arnie "erases." When called upon to return the favor, Pastorelli takes part in a scheme involving pizza and Alka-Seltzer. *Eraser* is worth seeing just for Pastorelli's expression when he realizes his ruse is working even better than he planned. I won't reveal more than that.

If only there were more to it. You've seen the ads: *Eraser* has a nice gag involving a parachute, and Russell does some nasty things with alligators. But most of the movie is neither hot nor cold — just fast and undistinguished. It works so hard to wipe the audience out that it ends up erasing itself.

This Week's Horoscope

by Linda Black

Aries (March 21-April 19). You'll have to think and act quickly. Show you can obey an order instantly.

Taurus (April 20-May 20). Something you're learning comes in handy. Pedantic people will be practically impossible. Save all tedious chores for later.

Gemini (May 21-June 21). Pay bills on the first, big time. If there's any money left you could shop for computer gadgets.

Cancer (June 22-July 22). An old friend can help you out of a jam, if you'll say you're sorry. Private negotiations go better. Don't believe everything you hear.

Leo (July 23-Aug. 22). Work hard so you can spend more time with your favorite partner. You don't agree on everything, but you sure learn a lot from each other.

Virgo (Aug. 23-Sept. 22). Reaffirm your bond with a close friend. Concentrate on a tough technical problem. A friend's crazy idea could be lots of fun.

Libra (Sept. 23-Oct. 23). A friend's tantrum pushes you to take action. Plans made will amount to nothing, so stay flexible. Remember to be nice to an older person too.

Scorpio (Oct. 24-Nov. 21). Domestic squabbles mess up your peace of mind. Don't worry, they'll amount to nothing.

Sagittarius (Nov. 22-Dec. 21). Save your private rendezvous for the weekend. You and your sweetheart will be in the mood for a game of one-on-one.

Capricorn (Dec. 22-Jan. 19). You're strong, which is good. The competition's fierce. Investigate a pending purchase carefully — then wait to buy.

Aquarius (Jan. 20-Feb. 18). You're under pressure from an older person. Don't argue, just do the work. You'll have more time for your own agenda soon.

Pisces (Feb. 19-March 20). An old friend's advice can save you a lot of trouble. Don't worry, your fears will come to naught. Watch out for a tendency to overspend, even for a good reason.

If You're Having a Birthday This Week: A partner plays a prominent role in your life this year. Love could be the end result.

A POWERFUL PRAYER TO THE HOLY SPIRIT
Holy Spirit, you who solve all problems, who light all roads so I can attain my goals, you who give me the divine gifts to forgive and forget all evil against me, in this short prayer, to thank you for all things and confirm once again that I never want to be separated from you, even in spite of all material illusions. I wish to be with you in eternal glory, thank you for your mercy towards me and mine. The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted without mentioning the favor. Only your initials shall appear at the bottom. M.T.
